

Carnegie Community Trust CIO

Ideas for Community Activities

Below are some ideas for **Community** activities at Carnegie in addition to the library. For some of these there would be a charge to help run the building.

There will also be a range of business activity, including the Enterprise Centre and Performance & Arts -producing income to pay for running the building and Community activities.

Please note. Most things below can be done on an 'in & out' basis, not requiring permanent space. This is essential for maximum flexible use of the rooms.

There will be a Community Café, and a number of voluntary groups will use the Hub.

Chess, Bridge and board games

Crafts

Dancing

Drama

Films

First Aid

Foodbank (collection point)

Gardening

Local history

Quiz nights

Recycling (of harder to recycle items)

Singing

Talks & debates

Would you be interested in any of the above or helping to run something?

If so please tick, add your name, and drop this into the Ideas Box either today or another day.

Do you have other Ideas of your own? Please add them below/overleaf and drop this into the Ideas Box either today or another day. Don't forget to add your name. This Ideas sheet will be added to our website

The Ideas Box will be kept in the CCT room for further ideas and we will contact anyone who leaves their details. **We can't get in touch if you don't.**
